## Making Ministry Matter in Catholic Parishes

GPBS offers parishes throughout Australia fresh & engaging programs that speak to the hearts & minds of today's church.

With over 25 years experience in parish & school ministry, the GPBS team facilitates retreats; inservices; leadership training; staff development; liturgy, prayer, & ritual formation for the discerning faith community.

The GPBS team is focused on providing parishes with programs that enhance the 'core business' of celebrating what it means to be Catholic in the world.

Contact the GPBS team **today** to see what exciting & relevant programs we can offer **your** parish in **2014** – we have a number of special offers.

No two parishes are the same! No two GPBS programs are the same!

We tailor a unique program each time we present.

We are encouraged by what we do, committed to the way we do it and refreshed by the possibilities of working with parishes and schools.

Each retreat, workshop and inservice provided is uniquely centred on the Gospels and modeled on the lifestyle & teachings of Jesus.

All GPBS programs offer:

scripture, prayer, input, discussion, multimedia, reflection, music, silence.

These components are delivered through a variety of creative and challenging approaches that are interactive, stimulating and fun.
