

YOUTH & YOUNG ADULT MINISTRY FORMATION PROGRAM

Elevate is a holistic program of training and formation for people who desire skills to work in youth & young adult ministry in a parish or school community.

Elevate is 'hands-on', relevant, talent-centred, accommodating personal needs, gifts, family/work commitments, and a parish/school discernment process.

Elevate will provide participants with practical skills in liturgy, catechesis, leadership, justice & service, music ... based on the comprehensive model of youth ministry.

*Contact us to discuss how your parish/school can adopt the **Elevate** program to enhance ministry to young people in your community.*
