

Student Leadership Formation & Training for 2012 Catholic School leaders

'Dusty Sandals'

'Dusty Sandals' is a comprehensive training and formation program for student leaders (2012) and teachers who facilitate the Student Leadership Team within your school community.

The program focuses on providing leaders with a number of different activities, opportunities and hands-on experience to foster and develop leadership styles within your school.

This is achieved by using a variety of techniques that open up a range of possibilities that draw on the gifts, talents and values of the individual and makes use of effective and productive team work.

Leadership is essentially about building effective relationships and **'Dusty Sandals'** is centred on the servant-style leadership of Christ found in the gospels and modeled on contemporary examples.

An opportunity offering a wealth of ideas and hands-on experience.
