The Life You're Living

2018 Year of Youth – The Melbourne Event

Jesse Manibusan -

**Catholic Evangeliser, Itinerant Witness, Music Missionary,
Comic Storyteller, Catholic Ninja, Joy Cultivator...**

Awakening the joy in the People of God in order to awaken the joy in others.

Jesse, from California in the United States, is considered one of the most exceptional Catholic speakers, songwriters and musicians of our times. He has a remarkable way of connecting with the gospel, challenging people and affirming our call as disciples who walk the journey with Christ together... and he's a lot of fun! Jesse has the special gift of being able to engage and reach out to any individual – either one on one at a retreat, or a crowd of 400,000 + people at World Youth Day.

**A great day for student leaders, liturgy teams, musicians, choirs,
Religious Education Leaders, liturgy coordinators, youth ministers...
*empowering young people to be God's footprint in the world.***

Supported by Alyssa & Daniel Agius

A young professional and enthusiastic approach is what keeps the couple consistently playing no less than 250+ shows a year, every year. Over the last few years, Alyssa and Dan have teamed up with GPBS to add their skill at workshops, retreats, liturgies and events at parishes and schools all around the country.
