Aim High

The valuable leadership program for Australian Catholic Schools:

- **Discipleship:** the things we value most mould and shape the way we lead – finding a connection through reflection and action with Jesus and his mission.
- **Formation:** As with Jesus' ministry, the mission continues when we are captured by it, equipped to do it, and 'teamed' to carry it on.
- **Leadership:** leading as Jesus did – servant leadership: called to be creators, builders, and dreamers – for the life of the local community and the world.
- **Spirituality:** hearing God's voice means finding a balance between being open to times of silence and listening to and responding to the noises of the world.

***Aim High* is challenging, engaging, practical, hands-on, youth-friendly and relevant for Catholic school leaders TODAY!**

The *GPBS Mission & Ministry Team* will facilitate ***Aim High*** in **YOUR** school for **YOUR** student leaders!
